

CLEAN UP SAFETY TIPS

1. Bring a light-weight backpack to carry litter bags, extra gloves, sunscreen, water, a hat, hand sanitizer, and bug spray.

2. Make sure you have a first-aid kit with you.

3. Always wear gloves when cleaning up litter.

4. Wear close-toed shoes.

5. Wear bright coloured clothing or a safety vest when cleaning near a busy area.

6. Work in pairs and make sure children are always supervised by an adult.

7. Remind children o NEVER pick up broken glass or needles and to let an adult know where they have found these items.

8. When picking up shopping bags or fast food bags which may contain hidden items, don't open them; place the entire bag in the garbage.

9. Always wash your hands or use hand sanitizer after a clean-up.
